

## Your investment for your change

### GEOMANCY

A property revitalization has various functions:

1. Analysis, reduction and reversal of negative, pathogenic or stressful energies (earth energies, tensions and interference fields).
2. Increasing the positive energies on the property, so that the low-energy property and building areas are also raised to the positive range.
3. Activation of power spots

<b>Price</b>	Apartment/rooms depending on their size	€ 1.000,00 – € 1.400,00
	Semi-detached house/terraced house with garden	€ 1.600,00
	Single family house with garden	€ 2.000,00

I would be glad to provide you with an individual offer for commercial space, shops or properties larger than 800 square meters.

### FENG SHUI

The Feng Shui analysis includes:

- Property assessment
- Landscape Feng Shui – the formation of the four animals
- Definition of the house element and elements and trigrams of the residents
- Application of the east-west systems (San He)
- Assessment of the 8 life situations
- Optimization of the flow of energy
- Assessment of the yin/yang ratio
- Judging by the flying stars (Lo Shu)
- Avoidance of attacking corners
- Recommendation of paint, shape, choice of materials and plants
- Examination of geopathic stressfields (waterlines, earth faults, sick building syndrome)
- Suggestions for building biologymeasures for new buildings

Price range for residential rooms/buildings € 15,00/square meter

Price range for Business Feng Shui (business/office) € 18,00/square meter

For larger residential or commercial spaces, I would be happy to provide you with an individual offer.
